SAFETY INSTRUCTIONS

- Read these instructions thoroughly before using the device. Keep this instruction manual for future reference or new users.
- Ensure that the mains voltage matches the voltage specified on the device rating label and that the plug is earthed.
- Check the power cable regularly for visible damage. If the cable is damaged, it must be repaired by the official Cecotec Technical Support Service to avoid any type of danger.
- This device is designed for domestic use only and is not intended for bars, restaurants, farmhouses, hotels, motels, and offices.
- Always unplug the appliance if left unattended and before assembly, disassembly, or cleaning.
- Switch off and unplug the appliance before changing accessories or related parts that move during use.
- The appliance should not be used by children. Keep this appliance and its power cable out of their reach. Children must not play with the device.
- This appliance can be used by children aged 8 and above and persons with reduced physical, sensory, or mental capabilities or lack of experience and knowledge, as long as they have been given supervision or instruction concerning the use of the appliance in a safe way and understand the hazards involved.
- Incorrect or improper use can damage the appliance and be dangerous for the user. Use the device only for the purposes described in this manual.
- This product has been designed for soft fruits. Using it with hard fruits could damage it.

- Do not operate the device after it has been dropped or if it malfunctions.
- Never leave the device unattended during use.
- Do not operate the device if it has fallen on the floor, has any visible damage, or a leak.
- Immediately disconnect the device from the mains if the exterior housing of the product is broken to prevent any risk of electric shock.
- Do not immerse the cable, plug, or any other non-removable part of the device in water or any other liquid or expose electrical connections to water. Make sure your hands are dry before handling the plug or switching on the device.

The graphics in this manual are schematic representations and may not exactly match the device.

2. BEFORE USE

- This appliance is packaged in a way as to protect it during transport. Take the device out of its box and remove all packaging materials. You can keep the original box and other packaging elements in a safe place. This will help you prevent damage to the device when transporting it in the future. In case the original packaging is disposed of, make sure all packaging materials are recycled accordingly.
- Make sure all parts and components are included and in good conditions. If there is any piece missing or in bad conditions, contact the official Cecotec Technical Support Service immediately.

Box content

- Citrus juicer
- Instruction manual

3. OPERATION

1. Fully unwind the cable before plugging it in.
2. Plug the appliance.
3. Cut the citrus fruit to be juiced in half.
4. Press the piece of citrus down once it has been placed on the juice reamer and the juicer will start up.
5. To stop the device, simply release pressure on the handler.

ENGLISH

6. Discard the citrus peel
7. Pour the juice directly into serving glasses.
8. If you juice a large amount of fruit, you should regularly clean the filter and remove the pulp residues.

4. CLEANING AND MAINTENANCE

- Unplug the appliance from the mains and allow it to cool down before cleaning.
- All removable parts can be cleaned with detergent and water or with liquid detergent. Rinse thoroughly to remove any detergent residue.
- Wipe the main body with a damp cloth with a few drops of liquid detergent and dry it.
- Do not use solvents or abrasive products to clean the appliance.
- Do not immerse the appliance in water or any other liquid or place it under an open tap.
- It is advisable to clean the appliance regularly and to remove food residues.

5. TECHNICAL SPECIFICATIONS

Product reference: 03363 / 03897 / 03898 / 03899

Product: Xsqueeze RetroJuice 600 Steel / Beige / Green / Red

Voltage: 220-240 V

Frequency: 50/60 Hz

Power: 500-600 W

Technical specifications may change without prior notification to improve product quality.

Made in China | Designed in Spain

6. DISPOSAL OF OLD ELECTRICAL AND ELECTRONIC APPLIANCES

This symbol indicates that, according to the applicable regulations, the product and/or batteries must be disposed of separately from household waste. When this product reaches the end of its shelf life, you should dispose of the cells/batteries/accumulators and take them to a collection point designated by the local authorities.

Consumers must contact their local authorities or retailer for information concerning the correct disposal of old appliances and/or their batteries.

Compliance with the above guidelines will help protecting the environment.

7. TECHNICAL SUPPORT AND WARRANTY

Cecotec shall be liable to the end user or consumer for any lack of conformity that exists at the time of delivery of the product under the terms, conditions, and deadlines established by the applicable regulations.

It is recommended that repairs be carried out by qualified personnel.

If at any moment you detect any problem with your product or have any doubt, do not hesitate to contact the official Cecotec Technical Support Service at +34 963 210 728.
