## Product description

### ULTRA QUIET

The LS12SILENCE hybrid service cellar fits discreetly into your interior. Thanks to its fanless hybrid technology, the LS12SILENCE cabinet has a low sound level of only 26 decibels. Its low noise level allows you to place it in your living rooms without even noticing it.

### OPTIMIZED STORAGE

Compact but practical, the LS12SILENCE service cellar can bring up to 12 75 cl Bordeaux type bottles to serving temperature. Equipped with 3 steel wire shelves with wooden front, it guarantees ideal temperature setting and good cold circulation. Multi formats, the shelves can welcome various bottles sizes.

### MODERN DESIGN

Full glass door, discreet integrated handle and exterior digital control panel allow quick handling and easy access to the wines. The modernity of the cellar is reinforced by its anthracite contemporary color and its flat hinges.

### LOW NOISE LEVEL

Experience tranquility with our silent wine cellar and install safely your collection at your living space

### INTEGRATED HANDLE

For a discreet and seamless design

### LED LIGHT

LED lighting highlights the wine without harming it or disturbing its storage

### WIRE SHELF

Robust and easy to maintain, they allow easy storage
